

## CORE VALUES OF MEERUT COLLEGE, MEERUT

Since inception in 1892 and ever after at the heart of Meerut College, Meerut enliven the institution's core values that have helped us in all our academic and co-curricular programs and its operating ethos. These values form the ground of our smooth functioning, in academic excellence, administrative set up including functioning of management, teaching-learning environs and also in international recognition in sports arena.

### **Mutual Respect**

Respect for faculty, non-teaching ministerial staff and respect for seniors along with personal dignity and individual potential has consistently prompted Meerut College, Meerut to function in an exemplary manner. A very close-knit bonding between teacher and taught, like Gurukuls of earlier times, students of Meerut College, Meerut observe such values. The same also applies for Non-teaching staff who also have inculcated the same ethos, mutual respect and work culture.

### **Excellence**

In order to strive for Excellence, the College is committed to change and update on all fronts of teaching-learning, co-curricular aspects, infrastructure development and sports. The College does internal SWOT like exercises

and AAA by IQAC to challenge ourselves to utilize our resources and manpower in the best possible manner.

Meerut College, Meerut's commitment to excellence impels itself to consistently strive for outcomes that are exemplary rather than simply satisfactory. Such striving for excellence touches all aspects of College life from academic programs to sports, from student services to greening the campus environment, from recruitment to research publications in national and international journals of repute, from special occasions to daily business of discipline. This value also inspires the College community to recognize its members' and stakeholders' significant achievements and contributions to the welfare of others. Our past alumni are also a source of encouragement to us all.

### **Service to Society**

Meerut College is very well aware of the needs of the modern Society where Service is an integral part of our learning experience. NCC, NSS and Legal aid camps are regularly organized where volunteering is the basis of service. It allows us to use our talents and abilities to advance the genuine well-being of our community and those we encounter.

Service is a basic tenet of life at Meerut College, Meerut. Service by students, staff and faculty each lending personal skills and professional expertise to assist others through campus, legal aid clinics, off-campus internships, service trips and numerous volunteer opportunities that extend the ethos and the value of service well beyond Meerut College, Meerut's campuses.

### **Integrity**

Integrity per se gives us the ability to realize the greater good in our actions and programs and challenges us to look at our work and ourselves holistically and makes our pass outs a globally competitive citizen.

Integrity, whether personal or institutional, implies coherence between words and acts. It calls each member of the Meerut College, Meerut community to live in accord with what this HEI professes to be as an educational institution with a glorious legacy of 125 years in mind.

### **Unity in Diversity**

Diversity in action builds a community that fosters a climate that is open and welcoming to diverse people, ideas and perspectives; that promotes a constructive discourse and engages faculty, staff and students in activities that promote the College's Core Values.

Meerut College, Meerut's founding Principal in 1892 was a British. But since early times it has helped in fulfilling Rural-urban divide and the dichotomy between rural and urban pupils. Today's diverse student body has expanded and the college also continues its efforts to enrich the diversity of its faculty and staff. Such diversity strengthens Meerut College, Meerut's academic programs and educational environment, preparing students to live and work in a healthy society where everyone is welcome to pursue higher education, research and learning of life skills under able guidance.

### **Learning for Life**

Certain lessons of life are learnt outside the classrooms working with society and other stakeholders. Learning for Life encourages us to pursue knowledge and truth throughout our lives in ways that improve our communities and ourselves and that strengthen our understanding of each other.

Meerut College, Meerut's commitment to the liberal arts and sciences, as well as to a variety of professional programs, is a commitment to education as a means of liberating people to live meaningful lives as well as to excel and remain competitive to earn a decent living. In accord with the value of learning for life, the College enrolls students from all sections of society through UP government and affiliating CCS University norms for admissions based on open merit and supports programs and activities that expand the know-how and knowledge of members of the broader community in relation to environmental conservation, health, hygiene and sanitation. Awareness campaigns about burning issues in society makes us a very vibrant college of the country. After all our goal is to produce socially committed students.

### **Promoting National Integrity**

Promoting national and international integrity and giving due importance to our rich cultural heritage are also amongst the core values of our college. We are committed to uphold and protect the sovereignty, unity and integrity of India. The college through its planning has always stood for development of scientific temper,

humanism and the spirit of inquiry and reform leaving all that can harm the society at large. We ensure to promote harmony and the spirit of common brotherhood amongst all the stakeholders of college transcending religious, linguistic, regional or sectional diversities. The college is a NAAC Accredited institution, a College with Potential for Excellence (UGC) and received a Heritage Grant Status by UGC on account of its old heritage buildings, past and present achievements and work culture.
